THE CUMBERLANDER

1928

To the Class of '28

In bidding farewell to the Class of '28, the Class of '29 wishes to say that they will regret very much the passing of this great Class from their midst. The whole School must suffer from your leaving, for you have been an exceptional class, and it is going to be a difficult task to fill your places, in the classroom, on the Athletic teams, in Literary work, and in social functions.

We, the Class of '29, pledge to you that we will uphold the honor and glory of our school, and strive earnestly to set the same example of honesty, industry, and dignity that you have maintained.

Looking Backward

Since "The Cumberlander" must go to press before the Graduation events of this year, we are giving this space in the Year Book to the records of the closing events of the year 1927.

On May 10, the County Scholastic contest was conducted in the College Building at Waynesburg. C. H. S. entered able contestants in each subject, to compete with the best students of the other schools of the County. Lowell Guesman, Melvin Forsythe, and Virginia Barnhart won first place medals in Algebra, Plane Geometry, and Caesar, respectively. William Hesse won second place in Geometry. Robert Phillips and Antionette Laidley received Honorable Mention in Biology and English, respectively. The students of C. H. S. are proud to say that they received a silver cup as an award for the scholastic achievements of their school.

On May 21, the County Literary Contest was held at Rogersville. Kenneth Crumrine represented us in the Oratorical contest, and Elizabeth Davidson, in the Reading contest. Kenneth Crumrine won second place as an orator.

The Graduation events for the Class of '27 began with the Baccalaureate service which was held on Sunday evening, May 22, in The First Presbyterian Church of Carmichaels, Pa. The sermon was delivered by Rev. John O. Miller, pastor of the Church.

The Senior play, "The Amazons," was given Wednesday evening, May 25, in the Community Hall. It was directed by Miss Fern McCracken, and the audience stands witness of her success in play directing.

On Friday evening, May 27, the final event of the school year, Commencement, was held. An interesting and impressive address was delivered by Dr. George Vincent, of Pittsburgh, Pa. The presentation of the diplomas was made by G. Wilbur Keister, Principal. Music was furnished by the Red Coat Orchestra, of Waynesburg, Pa.

Foreword

We have tried to portray in this Volume an accurate and pleasing picture of the activities and achievements of our Alma Mater during the past year.

Our reward will be our success in pleasing you, and if this book will help you to recall, in the future, some of the events of the present, the Staff will consider that their efforts have been well worth while.

This book is affectionately dedicated
to Mr. Howard Long in grateful
appreciation of his work for
our school. He is a true
friend of every student
in Cumberland High
School

To the Board

To the School Board of Cumberland Township we wish to show our deepest appreciation for the services that you have performed so faithfully for us. We sincerely regret that we will not be here to enjoy the advantages of the new High School building which is to become a reality as the result of your untiring efforts. We thank you for the advantages offered us and the interest shown in all our activities.

Book One

Faculty

From the Principal

Another school year is drawing to a close, another class is about to graduate. Another issue of the CUMBERLANDER is going to press, and the staff has honored me by alloting me a place in its pages.

I feel that the year has been a successful one and that we have a right to be proud of our achievement. I take this opportunity to commend the efforts that have been put forth by the students and to express my appreciation of everything done by them that has contributed to the welfare of the school.

My wish for every student in C. H. S. is not pleasure, nor wealth, nor fame, but a large opportunity for service and a readiness to make the most of this opportunity when it comes. And I make this wish believing that if they embrace this opportunity when it presents itself they will never want for the pleasure of satisfaction in duty done, nor for a comfortable portion of this world's goods, nor for a lasting place in the hearts of their fellow men.

G. WILBER KEISTER, Principal

Bachelor of Arts

Greve City.

The esteem in which Mr. Keister is held in our community is shown by the fact that he will be with us next year, which will make his tenth year as principal in our high school. He is every students friend and has the best interests of the school always at heart. We wish him the same success and happiness in coming years.

HOWARD LONG, French, History

Bachelor of Science

Waynesburg

We regret very much that Mr. Long will not be back next year. As a history teacher he is unexcelled, at least in the community. He has always taken an interest in our activities, and he has won the admiration of all his students. We wish him the very best success, which is sure to come from his excellent teaching.

J. E. WILLIAMSON, Mathematics

Bachelor of Arts

Waynesburg.

Although he has only been with us a year, he has won his way into the hearts of all the students. He is a wizard at mathematics, and can show others how to go about solving any problem. He shows a great interest in our activities, and is always willing to do his part to help anyone. We are glad that he returns to Cumberland High next year, and we wish him the greatest success and happiness in future years.

BENJAMIN CRAGO, Biology

History

California Normal.

Because of his big heartedness, Mr. Crago has placed himself foremost in the minds of students. He is an excellent history and biology teacher, as everyone that carries these subjects will testify. He has been with us for only one year, but we are glad he is to be back next year, for we are sure that he will be a big success.

DARWIN P. VENEN, Coach

Bachelor of Science.

Grove City.

Coach Venen has just completed his third successful year of coaching and teaching at C. H. S. Besides being one of the best coaches in the district he is an excellent teacher. Coach is an all-round good sport, taking part in all High School activities and showing the greatest patience in the painstaking job as Coach. We are joined by the whole school in rejoicing that he is to be back next year. We wish him all the success in the world in coming years.

ELIZABETH M. SMITH, English,

Algebra

Bachelor of Science in Education

Waynesburg

Miss Smith has been with us for two years, and the student body regrets very much that she will not be back next year. She has been a faithful helper at C. H. S. always willing to render her services when opportunity was given. With all sincerety we join in wishing her much success and happiness in her married life.

MABEL REIGLE, Latin

Bachelor of Arts

Waynesburg

Although Miss Reigle has been with us only one year, she has won the admiration of the entire student body. She has been a good sport, taking an active part in all the school's activities. We extend our congratulations to her for her success in directing the Junior Play. Her smiles and sunny disposition have won a place in our memory, and will not be forgotten soon.

FERN McCRACKEN, English

Bachelor of Arts

Waynesburg

The students feel that they are very fortunate in having such an excellent English teacher. Although we have seemed indifferent at times, we appreciate the patience and interest shown by her in the classroom. Miss McCracken has freely devoted her time to the welfare of the school. She will be back next year, and we are sure that she will make just as much of a success of next year as of the two years she has been with us.

W. RICHARD HATHAWAY

Carmichaels, Pa.

"Dick"

Class President; Delphic; "Green Stockings"; basketball four years, captain '28; football two years.

Here is a boy who is popular with everybody. He likes the girls and the girls like him, so what more do you want? He has been a member of two good basketball teams, and he knows his stuff. He is the owner of such a good nature, that it makes for him scores of friends. He will do anything for anyone at any time. Besides being a basketball star, has had a good record as a grid star.

Dick isn't bad; Dick isn't bold,
His heart is made of purest gold.
Being popular doesn't make him puff,
For ever so little is always enough.

ETHEL VIOLA STEELE

Carmichaels, Pa.

"Sophia"

Delphic; "Green Stockings"; basketball three years; Captain '28; track two years; class treasurer.

This well known lassie of the Senior class is one of our peppiest, happiest, most mischevious and best liked Seniors. We call her "Sophia Paragoric" because she puts 'em to sleep. Sophia is a fine basketball player, and this season she was elected Captain. Our Sophia has a weak heart, they say, but she sure knows her stuff, and how!

Sophia, so modest, so sweet and so shy,
When she leaves we are going to cry,
Sophia is our darling, Sophia is our joy,
To her this world is but a toy.

JAMES SCHROYER

Carmichaels, Pa.

Cresto; "Green Stockings"; business manager of "The Cumberlander", '28.

James is one who is much admired by . . . the fair sex. He has the kind of eyes that girls adore. He is a good student, and he sure knows his French. Besides that, he plays the guitar, and is a witty conversationalist. Jimmy has smashed to pieces the "Gentlemen Prefer Blondes" theory, and we must believe him, for he sure knows his onions. He is usually in a good humor, and has made many friends during the four years he has been with us.

James is going to represent us in "General Information," in the annual County contest, and we are sure that he'll bring home the bacon.

ANNA PAULINE CREE

Carmichaels, Pa.

"Polly"

Delphic; orchestra; secretary of class.

"No pool is so deep but that a glimpse of heaven be seen within."

Our "Polly" has such eyes! She is the dreamer of our class, but unlike many dreamers, she has action. You should see her 'howin'" away! As a fiddler, she has no equal in C. H. S. "Polly" is one of the sweetest-tempered girls in C. H. S. She always carries a broad smile, be her burdens ever so heavy. Just smile your way through life and you will be a success. Success is the wish of the class of '28.

CHARLES PAUL LONGANECKER.

Khedive, Pa.

"Shakespeare"

Delphic; basketball two years; football two years; track three years; orchestra.

Paul is a happy-go-lucky fellow; always happy and full of pep. Never a care in the world, and always ready to do a favor. Paul is straightforward and open-minded; he can't be swayed by mere words, but must be shown facts. If you don't believe this, ask the teachers. Of course, one couldn't expect such a nice fellow to be running around without an especially dear girl.
(You'll find that girl on this page).

Paul is happy and full of glee,
Never a care in the world has he.

ELIZABETH KERR PATTERSON.

Carmichaels, Pa.

"Lizbeth"

Delphic; Class editor '26; "Green Stockings"; assistant editor '28; orchestra.

Elizabeth is a friendly lass,
An honor student of our class,
We're sure that for her life doth hold
A wealth of pleasure and joys untold.

Elizabeth is one of the few who can look out on life with a smile. She has a pleasing disposition, and is always willing to lend a helping hand to her classmates. However, she does not confine herself to books. She is a fine pianist, and she sure can make the music ring. Her smiles and winning ways have won many friends among the students of C. H. S. Success and happiness for you, Elizabeth, is the wish of the class of '28.

WALTER ERNEST PALLER.

Nemacolin, Pa.

"Baldy"

Cresto; football two years; track one year; class editor '27; assistant editor '28.

Good things come in small packages, and Baldy is no exception. He is one of our many warriors of the football field who crowned himself with glory because of his fighting spirit. Baldy is one of these many people who believes in put and take and believes in putting as much as possible and taking very little. He is very popular with his classmates as is shown by his being commissioned to every task that requires brain power.

Ashes to ashes,
Dust to dust;
If it wasn't for "BALDY"
Our class would rust.

FLORENCE ANNA CONDIT.

Carmichaels, Pa.

"Tom"

Delphic; "Green Stockings"; basketball four years.

We are very proud of "Tom", for she is an all-round good sport; pretty, peppy, and popular. We say she is pretty for she has brown curly hair, a little turned-up nose, and a smile that would make anybody like her. She showed us she was peppy by playing the role of "Phyllis" so well in "Green Stockings", and by being so spunky as a forward on the basketball team for four years. As for being popular she dates every evening, and always has company on the way up street, even if it is in the person of "Baldy" Paller.

An independent little lass,
Lots of spunk and plenty of SASS.
But her heart's as true as any you'll find,
That's what puts her first in our mind.

WILLIAM ALBERT CREE.

Carmichaels, Pa.

Cresto; football two years; basketball one year; track four years; baseball two years.

"Al" is one of our athletic boys,
Quarterback of our football team
A Freshie by the name of Hester
Is the ideal of his dreams.

"Al's" one of these small quiet-like fellows in the class room or on the campus, but it is rumored that he is a wildcat when . . . . . (use your imagination). That's right, Hester! Al has done his part in athletics and the class of '28 expects him to do the same in life. Best of luck to Al!

THELMA MARIE CREE.

Carmichaels, Pa.

"Sweetie"

Cresto; "Green Stockings".

Here's to Thelma:
"Short and sweet,
A pretty miss
Whom all the fellows
Like to kiss".

Thelma's chair has been vacant for many days this year. We all have missed her more than can be expressed in words. She is a cheerful lass and smiles the whole day long.

Well, the wish of the class of '28 for Thelma is that she will be able to go on smiling through life.

BENJAMIN DONLEY.

Carmichaels, Pa.

"Pat"

Delphic; football four years, captain '27; basketball four years; track four years; baseball two years; athletic editor '28; "Green Stockings".

Pat is our big athlete, and is one of our most popular classmates. He is liked by everyone, even the girls, to whom he pays little attention. His greatest hobby is guns, and next to that his delight is playing football and basketball, at which he is simply wonderful. Pat was C. H. S.'s first four letter man, and is an all-round athlete. We are expecting great things of Ben and wish him all the luck in the world as he goes to college.

ANNA K. FERENS.

Carmichaels, Pa.

'Kitty"

Cresto.

This brown-eyed lass is the kind that any school would be proud to claim. Many times has her laugh awakened the slumbering echoes of C. H. S. Anna is one of the few human beings who was born with a delightful joy of living and a kindly tolerant manner toward all her fellow companions. She has many friends for the girls all like her, and the boys . . . . well, you can bet that they all like her too. She is a rare combination of attractiveness and brains as you know by the fact that she is a member of the Senior Virgil class. We hope that tomorrow will be just as sunny and hopeful to Anna as yesterday was and that the years rob her of none of her hopeful trustfulness and will bring her bountiful gifts of happiness.

CHADS OWEN CHALFANT.

Carmichaels, Pa.

"Greasy"

Cresto; basketball two years; manager of all athletics for two years; "Green Stockings".

Chads is a bright little chap (if he will pardon the word "little"). He is Johnny-on-the-spot, especially in Virgil. A day never passes but that you hear him say "Mabel, can you read your Virgil?" Unlike some other members of his class, he always has something to do, if it is only to write notes and tease the girls. Chad has taken an active part in athletics. He has a smile for everyone, and is loved by all who know him. We, the Senior class, wish him the best of success in whatever he undertakes.

The boy worth while
Is the boy who will smile
When everything goes dead wrong.

MABEL GUESMAN.

Carmichaels, Pa.

"Molly"

Cresto; assistant editor "The Cumberlander" '28.

Small and neat,
Quiet and sweet,
That's Mabel.

We all like Mabel for her sweet, winning smile, and sunny disposition. Although she is small in stature, she ranks high in her class standard. Some are good in French, some are good in Latin, but Mabel is an all-round girl. She gets A's in everything, and she certainly deserves them. (That girl knows her onions).

NOAH MINOR HARTLEY.

Carmichaels, Pa.

"Node"

Delphic; "Green Stockings"; advertising manager of "The Cumberlander" '28.

Noah is a happy-go-lucky boy from the country, and must not be ashamed of it, for he sure likes a country girl. He made a great hit in our Junior play, "Green Stockings." He has a habit of tinkering with Fords, mostly his own It is up to Noah to save the class of '28 from the flood of knowledge we gained at C. H. S.

ETHEL MARGARET TITUS.

Carmichaels, Pa.

"Ethyline"

Delphic; "Green Stockings".

She often glances at the boys,
School life to her is a bundle of toys,
She works and works in her quiet way,
And gleans happiness from every day.

Ethyline is always happy and contented. She is loved and adored by all her classmates, and also by "Jimmy", who is not a classmate, but a very close friend. Ethyline loves to tell jokes and make everyone laugh, but put jokes aside, and she is a jolly good sport. To our Ethyline we extend our very best wishes and we wish her a bright and happy future.

ALBERT GWYNNE.

"Tubby"

Carmichaels, Pa.

Cresto; basketball two years; track one year; orchestra.

"Tubby, one of those jovial heavy-weights, is THE boy of the class. He is never happy unless he is bothering someone and he is usually happy. He has scores of friends for he has a happy, carefree manner that everyone likes. He is also popular with the girls, especially those cute Freshmen. And talk about trombone players! Boy, he's the berries!! When he plays "Ain't She Sweet" he can be heard for miles and miles. Besides that he is a good basketball player—I'll say! Tubby is a good sort and we wish him happiness and everything nice. Good Luck, Tubby!

KATHRYN ELIZABETH SUITY.

Carmichaels, Pa.

"Katie"

Cresto.

"Five feet two, Grey eyes to,
How they smile the whole day through"

"Katie" who is full of life has a personality that all may well envy. She is always full of pep and fun and always ready to drive one's blues away with a smile. Kate is another one of our wonderful students. Just come into our Virgil class and hear her translate Virgil. She makes the rest of the class feel as small as fleas on a lion's back. Is she popular? She is always surrounded by a crowd. The boys are not excluded.

RALPH MINOR ROSS.

Carmichaels, Pa.

"Percival"

Delphic; orchestra; basketball two years.

Ralph is one of the few polite boys of our class, being careful not to slip up on his manners. Although quiet at first, he soon gets acquainted and is one of the crowd, this being the case when he first entered our school in his second year. He spends his idle moments with a very fine companion, the violin. Ralph is a very conscientious student, working on his books until he masters them. We are sure that he will make a success of life.

PEARL ROACH.

Ceylon, Pa.

"Polly"

Cresto.

As every cloud has a silver lining, so does every class have a gem, and this is our Pearl. One of the prim and demure girls of our class, nevertheless we are conscious at all times of a bubbling good nature and sense of humor that she possesses. She is the sort of girl who will always give the impression of having stolen the laugh and light heart of a child, and yet is as demure as a flower. Pearl has many friends, and when it comes to studying she is a second Goliath. May your life, Pearl, always be like a shining cloud that by its serenity brings joy to the world.

ELBERT LUSTER WALTERS

Carmichaels, Pa.

"Lus"

Delphic.

Learning by study must be won,
'Twas ne'er handed down from sire to son.

Luster is one of those dignified mathematicians who can not only solve Geometry problems, but can work out his own life's problems, and is ready to give a helping hand to anyone who needs it. He is a very quiet and pleasant sort of chap, that we all like to have around, Although he is interested in athletics and Fords, his greatest hobby is books and lots of time to read them. In fact, Luster would rather read than eat.

ELSIE E. WALTERS.

Carmichaels, Pa.

"Tootsie"

Cresto.

Elsie, with her sweet and sunny smile,
Makes life full of happiness and sunshine all the while.

The country lass has been with us four years. A nicer girl than "Tootsie" could not be found in C. H. S. She is liked by her classmates for her quiet, modest ways and sunny disposition, and who is always willing to lend a helping hand to anyone in school. A hard Geometry lesson is as easy to "Tootsie" as ABC, and so were all the rest of her subjects. We are all certain that nothing but success can ever come to "Tootsie".

ROBERT DONLEY,

Carmichaels, Pa.

"Bob"

Cresto; football one year; basketball one year; cheer leader two years.

Bob is one of those happy, carefree fellows who can always look on the bright side of life. He has a good disposition and a smile for everyone he meets. We are sure that he will make steady progress because it is the optimistic people who get the most out of life. Bob is going to represent us in the Literary Contest and he is worthy of the honor. Good luck to you, Bob!

"This red-haired boy is happy and free
And as independent as he should be.
He likes to argue and likes his fun,
And as for his school work—it's always done."

ENID KATHYLEEN AREFORD.

Carmichaels, Pa.

"Mutt"

Cresto.

"Your eyes are like the diamond bright
They twinkle with such a merry light."

"Mutt" is a blue-eyed, curly headed lass. She is little but O my, that girl can do heaps of things. She can sing as sweetly as a canary; she can play the piano and she can even sew and cook. Her greatest hobby is love stories and she certainly can devour them. Her quaint sense of humor has won many friends for her in C. H. S. and everywhere she goes. Much can be said of her but this is the best—As a true and faithful friend she is supreme.

PETER DROCTON.

Crucible, Pa.

"Pete"

Delphic; football one year.

Pete is a lad whom we all know well. He has big brown eyes and a crop of brown hair which makes him distinguished among his classmates. He is a brilliant young lad who works with a will. And he is sure to succeed in future years. Pete is a wonderful "Trig" student, and he knows all about the sine, Cosine, etc., and is always sure to get the right answer. Pete is liked by all his classmates, and we are sure the future will be a bright one for him.

ESTELLA R. AREFORD.

Carmichaels, Pa.

"Samantha"

Delphic.

"Still water runs deep."

Stella is a quiet girl. For the four years she has been with us we have never known her to be angry or worried about any of the million and one things a high school girl has to be worried about. She is always kind and helpful and considerate of all whom she meets. Stella seems shy of the boys, but we sometimes wonder about this when we see the picture that she wears next to her heart. For her we wish all the happiness and success that the world holds for her, and a future that is hopeful and full of promise.

LORRAINE JENSEN.

Nemacolin, Pa.

"Jensen"

Cresto; football one year.

Lorraine, the well-known lad, came to us in his Junior year. He is one of those quiet lads with a ready smile and a helping hand. Lorraine is a shark in his studies, never missing school unless it is necessary. He has a high ambition and is on the road to success. We all hope that there is a bright future ahead of him.

When he reaches successful heights,
Instead of shovel and hoe,
He will sit by the hour at nights
And play his old banjo.

LENA MAY GUSEMAN

Carmichaels, Pa.

"Bubbles"

Delphic.

A lassie fair and true, who never shirks any duty she has to do. Lena was never known to have time to spend, all vacant time is put into studying. Every new duty assigned to her she does and does it with a will. For such diligence, what could be the reward, but success? She has dark hair and soft brown eyes which, with her fun-loving disposition, brighten the world wherever they are. We are sure she will make a success of life, for she sure has the ability.

RICHARD KENNETH CRUMRINE.

Carmichaels, Pa.

"Ken"

Delphic; "Green Stockings"; football two years; basketball one year; literary contest one year.

"You can always tell a true gentleman by his address"

Kenneth is one of those boys who always works and knows his lessons every day, as every boy should. He always behaves in class and never speaks unless he is spoken to by the teacher. Ask Miss McCracken. He is very popular with the opposite sex. He has also done well on the grid due to his accurate manner of thinking.

ARVEL FRANKLIN HEADLEY.

Carmichaels, Pa.

"Skippy"

Cresto; football two years; track two years.

This lad has such a cheery disposition that he makes friends as easily as rolling off a log. He is a pal of our "Baldy" Paller and they made a good team. He is a novelty in our class as he very suddenly decided to join the multitude of the happily (???) married and left us Christmas to seek for himself a wife. But he soon came back and is graduating with the class of '28. He was quite a hero on the football field and has made for himself a name in Cumberland High.

JOHN DAVID PHILLIPS.

Carmichaels, Pa.

"Nancy"

Delphic.

David is one of those quiet blue-eyed boys who is always smiling. His sunny disposition has won him many friends in C. H. S. He has the ambition to receive more knowledge and to reach the goal of success. He is always willing to lend a helping hand to those about him. His favorite subject is Chemistry.

"Great success is promised you,
In whatever you may do.
A life of luck and happiness,
Will surely then ensue."

LAWRENCE PHILLIPS.

Cresto; football one year.

"A flowery tale sweeter than a rhyme
I would compose for thee if I but had
the time."

The year of 1925 marked the entrance of one of the most brilliant students of the class of '28. He is a studious, peppy boy, and will always have a host of friends. The wish of the class of '28 for Lawrence is that he will always be successful in life.

Junior Class History

Well, here we are, almost at the close of our Junior year at C. H. S. We are not quite so numerous as we were when we were lower classmen, numbering tweny-nine now, but we believe we are tried and true members of Cumberland Township High School.

In our Freshman year we were given a treat by the Sophomores, and last year we treated the Freshmen, but they didn't even thank us.

In the Scholastic Contest last spring, our class helped materially in bringing the cup to this school. Melvin Forsythe and Virginia Barnhart taking first place in Geometry and Caesar respectively, and Billy Hesse taking second place in Geometry, while Robert Phillips got honorable mention as fourth place in Biology. Also in the Literary Contest, our school was represented by Elizabeth Davidson, and though she didn't place, she deserves much praise for her fine reading. This year we will be represented by Milton Ruttenburg, and we expect first from this great emotional reader.

Before the Track Meet last year we sold so many tickets that Professor Keister decided that we were really brilliant students, after all, (the other teachers said we weren't) and so he gave us a half-day vacation from school in order that we might rest our magnificent brains.

In athletics, we are ably represented in every sport. Last year Anna Belle Crago came within a fraction of a second of breaking the world's record for the fifty yard dash. This year we had eight members of our class on the football squad, five of them being regulars; four on the basketball squad, including Harleigh Flenniken, who is considered one of the best forwards ever produced in Greene County. On the girls' basketball squad we were represented by four of our girls, two of them being regulars. In the Interclass Tournament we made the Seniors really work for their cup, the game going into an extra period, and the Seniors finally winning the cup by one field goal.

We have conducted a few social entertainments this year, and they were enjoyed by all. We have organized the class into two Tongs, the Chop-sueys, and the Chow-mangs, and we have entertained each other once in a while. So we have passed the year, under the noble and wise leadership of Kenneth Moredock, our president, and Mr. Venen, our Assembly teacher, who really thinks we are the best class in the school, although he does camouflage his love once in a while.

The Junior Class now bids farewell to the Senior Class, and we wish them all the happiness and success possible in the future.

We have recently had a new member added to our roll. Fred Waine came to us from Mapletown High School. He has entered into our activities with a vim and we sure are glad to have him with us. We were unable to get his picture in this year but hope he will be with us as a Senior.

SOPHOMORE CLASS.

Class History

Perhaps no more intelligent and industrious class ever entered the hall of C. H. S. than the one that assembled here August 30, 1926.

At first we found things rather trying and confusing as thirty-five of us made our way through the crowded hall, trying to find our room and learn our program.

We did not rest easy until after the Freshman reception, for the Sophomores promised us a gay time. They really kept their promise, but we all survived and then plunged into work, determined to prove that we were intelligent and industrious.

Lowell Guseman and George Busti went to Waynesburg to represent us in the County Scholastic contest and Lowell came back carrying first honors in algebra.

On August 29, 1927, we assembled again to begin our second glorious year in this school of all schools. Sad to relate we then had only thirty-one members, but we were ready to show the school that the Sophomores were on the map.

The Freshman reception was the first social event of the year, and in true Sophomore spirit we gave the Freshies their "dose." They were good sports, though, and took it without whining.

When speaking of athletics, the Sophomores, if given to egotism, would heave a proud chest and lift a vain head, for we feel that we have produced material that will help Cumberland High School have the best girls' basketball team in Greene County. In our Freshman year Violet Steele, Lottie McMinn, Lucile Barclay, and Evelyn Barclay played with the team. This year Violet was a fine forward, while Lottie and Lucile, as guards, made all their opponents work for the baskets they made. They were ably supported by several of their classmates in the second team, Lora Guseman and Evelyn Barclay being among the best.

Since basketball season we have devoted our time to studies in preparation for the scholasic contests to be held at Jefferson, where our class will be well represented.

We are sorry to say this year will soon draw to a close, for it has not only been enjoyed by all, but it has also proved profitable, for we feel that we can go into our Junior year with a brighter outlook on life and somewhat prepared to take up the work we will have. In future years, recollecting our high school career, the Sophomore year will be one of the fondest memories of dear old C. H. S.

SOPHOMORE POEM.

We entered our school in '26,
Green as grass, stiff as sticks,
Thirty in number plus another five,
But never a bunch was more alive.

You'll soon judge this from the news you'll hear
Of all our capers in the Sophomore year.
We entered then with thirty-one,
With lots of nerve and ready for fun.

With heads held high and many a jeer,
We scoffed at the Freshmen assembled here,
But nevertheless, it was all in fun,
For we loved the Freshman—every one.

Now that the year is about to end,
A word of greeting to you we'll send,
May joy and success always bless,
All of the friends of the C. H. S.

FRESHMAN CLASS.

Freshman Class History

August 29, 1927, dawned bright and clear; a fitting beginning for the new Freshman Class of C. H. S. On this auspicious day the enrollment of C. H. S. was augmented by over half a hundred of the most promising boys and girls of the Township. The other classes thought we were green, and we were, but they soon made us feel at home.

The Sophomores gave us a real reception at the Amusement Hall, after which we really felt that we belonged to the School.

Soon after this we began to feel the need of a guiding hand in the affairs of the Class, and we called a meeting and elected as President, Frank Porter, and as Secretary, Eleanor Darrah. We also selected as our Class Colors, Red and White. The Sophomores acted very nicely about our choice of colors, or perhaps they were too busy to notice such an insignificant act on our part. At any rate, they did not bother us with any advice, vocal or otherwise.

With heavy hearts we bid farewell to the Senior Class. We wish them all success in their future work. We will miss their smiling faces from our study halls, but next year there will be another class of dignified Seniors to make another class of little Freshies feel just how insignificant they are. We look forward to the next term when we will no longer be Freshies, but will be able to give another class that verdant name.

In closing the history of this Freshman Class, we want to thank each member of the Faculty for the patience they have shown in dealing with this bunch of dumbbells. However, we now feel that we are well past that stage of our growth, and that we are started on the Royal road to learning.

A SONNET.

"The high school student is jovial and kind
He lives and he lives and is moderately blind.
He speaks when addressed and always says "please"
And thinks that intelligence is a sort of disease.
He walks around with his nose in the air
And says that he knows life "pretty fair,"
He eats and he sleeps and laughs when he's told
And considers the teachers to be very bold.
He considers himself quite a grown-up affair,
And looks like he thinks "just speak if you dare,"
But wait till a few years roll quietly by,
Then the student will look on these years with a sigh.
Although now, he's stuck-up and ignorant and blind,
His happiest years will be those left behind."

Activities

Cresto Literary Society

Two Friday afternoons of every month have seen our Society putting forth its best efforts to put on a programm that would be entertaining as well as instructive for the students of C. H. S. The service rendered by the Crestos in the past show that its members have been talented and ambitious. They have been full of originality and enthusiasm and have worked for the welfare of the Society.

The present members of the Cresto Society look back upon the events of the past years and realize that they have an honor to uphold, a duty to perform, if they are to retain the high standard of the past. Robert Donley was selected to represent C. H. S. in the oratorical contest. Lucille Barclay was selected as alternate in the reading contest.

When we, the class about to leave C. H. S., first entered High School, little did we know our responsibility until, year by year, we have been called upon to fill the vacancies left by the former graduating classes. Without a doubt, the Literary Societies, helped us far more than we now realize. However, if they have taught us the much-needed lesson of speaking clearly before an audience, of attentiveness to other performers, and the appreciation of things really fine, our efforts have been well repaid.

In the future, the recollection of our Literary Programs will not be least in our memory.

Delphic Literary Society

The Delphic Society has made unusual progress in the past year in all branches of Literary work. Probably no other phase of work has done so much for the school as a whole as the Literary Societies. The Delphic has on its roll about half the entire student body. Every two weeks the Society gave a program which was composed of reading, oration essays, debates, talks and musical numbers. In this way much unusual talent was brought forth that would have been otherwise undiscovered. The various numbers on the programs were designed to entertain us, to instruct us and to enliven our interest in school work. In the local elimination contests Milton Ruttenberg, a Delphic, took first place as a reader and Kenneth Crumrine, another Delphic, took second place as an orator. As dull as some of the Literary programs seem to us, we must admit that they HAVE made us laugh and HAVE brought into our store of knowledge a little bit more than would have been there if we had never known their influence. Above all, the Literary Society has taught us attentiveness, concentration and politeness in respecting other performers.

ODE TO A ZOO.

"This school is a funny place.
And full of funny things,
From east and west and north and south
They flock when the school bell rings.

"First there is that unique herd
Of Freshmen—mostly small,
They hover around in shade and gloom
And litter up the hall.

"Next are the Sophomores, gay and free,
They play and have a good old time,
They thing they're owners of the world,
But they really aren't worth a dime.

"The Juniors are a stuck-up bunch,
They loaf around at school,
They mock the underclassmen,
And scorn the teachers' rule.

"The Seniors are the real Bozos
They think they know it all,
But quite like Humpty Dumpty
They're bound to have a fall.

"Now friends and statesmen—listen
To my far-sounding cry,
Be sure you go to High School
Before you have to die.

"And if you find no better,
Just ring up C. H. S.
For it will do for anyone
If you cannot have the best.

"Now Seniors and Underclassmen,
I must bid thee all farewell,
May we all be mixed together again
In the shades where the ignorant dwell.

"To the teachers I say a sad adieu,
May they live a pleasant life,
In collecting notes and chewing gum,
And enduring continual strife."

County Contests

The Greene County Scholastic Contests will be held at Jefferson on Tuesday May 8. The following people will represent our school:

Algebra I.	Eleanor Darrah Helen Douds
Latin I.	Charles Chalfant Amy Bertugli
Plane Geometry	Randal McCann Lowell Guesman
Biology	Evelyn Barclay Mary Jane Hartley
Caesar	Mary Koral Sophia Krajnak
American History	Chads Chalfant David Phillips

English	Elizabeth Patterson Mabel Guesman

The County Track and Field Meet will be held at the Carmichaels Fair Grounds, on Saturday, May 12. This is the second year that the Meet has been held at Carmichaels.

The Literary Contest will be held at Rogersville, May 19. Robert Donley will represent C. H. S. in Oratory, with Kenneth Crumrine as an alternate. Milton Ruttenburg will represent our school in Reading with Lucille Barclay as an alternate.

THE HIGH SCHOOL ORCHESTRA.

We have always considered musical talent in our school and last fall some of the students suggested the organization of an orchestra. A call for volunteers met with hearty response and an organization was soon effected. The members were all well advanced and in a short time were rendering music of a very high quality. The orchestra proved a valuable asset to the school and was much appreciated by students, faculty and friends of the school. They played regularly at Literary Society and added so much to the program that our Literary Societies attained a success that was never equaled before. The music which they furnished at the basketball games inspired the teams and entertained and enthused the audience. They have played a number of other engagements which have been greatly appreciated.

The personnel is as follows:

Pianist	Elizabeth Patterson
Violin	Pauline Cree Betty Barclay Ralph Ross
Cornet	Paul Longanecker Louis Crawford
Saxophone	Brice Evans Evelyn Barclay
Trombone	Albert Gwynne Ralph Crumrine
Drums	Lowry Smith

Junior Class Play

The Class of '29 presented a play entitled "A Full House," in the Amusement Hall, Carmichaels, May 1, before a large audience. The play was directed by Mabel Reigle, and, as everyone has agreed, was a great success. Each person played well the part assigned to him, and the play was performed like a perfect unit.

Football

At the close of the '26-'27 term things did not look very bright for the '27 football team because of the loss of so many stars by graduation and other channels. But at the call for candidates thirty-three boys of assorted sizes and weights, reported, and Coach Darwin P. Venen put them through their paces and looked them over carefully with the idea of finding men to fill the places of the three backs, two ends, center, tackle and several other more or less regular players that we lost since last season.

The proposition looked anything but encouraging, numerous shifts were made and combinations tried, but on account of the determination of each player to make his position, it was difficult to determine just who made the best combination. All the letter-men left from last year made positions, although some were shifted from their old positions so as to obtain the maximum of efficiency from the team.

Following is the line-up as they usually started:

Kenneth Crumrine	Left End
Paul Hart	Left Tackle
Milton Ruttenburg	Left Guard
Walter Paller	Center
Russel Crago	Right Guard
Orville Dayton	Right Tackle
Ben Donley (Captain)	Right End
Albert Cree	Quarterback
Richard Hathaway	Left Halfback
Arvel Headley	Right Halfback
Kenneth Moredock	Fullback

Others on the team were: Paul Longanecker, a utility man, who played good football at fullback and end; Melvin Forsythe, utility end and fullback who also performed satisfactorily at quarter; Billy Hesse, who played heads-up football at center until he was forced to retire with a broken arm; Clarence Sharpnack, Pete Drocton and Steve Palone, backfield men; Lorraine Jensen and Paul Haught, linemen; Louis Crawford, Randall McCann, Claude Titus, Robert Donley, Vincent Pevic, Henry Martin, Andy Ferens and Lawrence Phillips, although young and inexperienced, played well when they got into a game and also did their bit in furnishing opposition for the Varsity.

Probably the best game that the Redbirds put out was the Booster Day game with Mapletown. Knowing Mapletown to be a strong team and hearing of their success over other good teams, the Redbirds came out on their toes ready for business. They set and maintained a terrific pace which completely overwhelmed the big, fast, Mapletown boys. The Redbird defense was airtight, Mapletown backs were continually downed yards back of the scrimmage line, and a forward passing attack, that had been very successful against other teams, was completely wrecked. Mapletown was so bewildered by the fury of the Redbirds attack that they were unable to even threaten the goal line. Touchdowns were scored by Albert Cree, Arvel Headley, Richard Hathaway and extra point by Hathaway.

The last game was played with Jefferson. The field was very heavy and consequently slow. There was considerable fumbling due to wet weather and cold fingers. The Redbirds were unable to score but five touchdowns. The ball was very heavy and slippery and the mud so deep that it was next to impossible to kick extra points.

Touchdowns were scored by Headly, Cree, Hathaway, Crumrine and Captain Donley.

The '27 team was a little better than any other team that ever represented C. H. S. They had a successful season and there is little doubt but that they would have won every game, had it not been for several players being injured at critical periods.

We will lose by graduation: Manager Chads Chalfant; players, Captain Ben Donley, Richard Hathaway, Albert Cree, Walter Paller, Arvel Headley, Kenneth Crumrine, Paul Longanecker, Lorraine Jensen, Pete Drocton, Robert Donley and Lawrence Phillips. We will also lose Milton Ruttenberg who plans to continue his education at Staunton Military Academy.

Comparing the players who are leaving with those who remain the outlook for the '28 team is anything but bright. But just wait until the candidates report next fall and the little mighty man, Coach Venen, starts to work on them! You need not be surprised if the '28 team has it all over all previous teams.

FOOTBALL SQUAD.

Basketball

The call for basketball candidates came shortly after the close of the football season. A large number reported, among them several Freshmen who showed good judgment in beginning basketball in their first year.

Again, as at the beginning of the football season, Coach Venen had a problem before him in selecting men for the positions left vacant by the graduation of five good men last year. There were only three regulars left, Captain Richard Hathaway, guard; Harleigh Flenniken, forward, and Ben Donley, center. The remainder of the squad was made up of boys of little or no experience and the majority of them were young and small.

After many trials and shifts, it finally developed that Albert Cree, a Senior, of no previous basketball experience, Albert Gwynne, a Senior, who had yet to play his first game, Melvin Forsyth, flashy little Junior, who had never been in real action, and Chads Chalfant, also a Senior, who had had plenty of experience, with boys but was very small for a high school team, would take care of the remaining forward position. Paul Longanecker, a Senior of very limited experience, would hold down the guard position and Ralph Ross showed himself to be an efficient utility man who could be used in any position.

The new men worked remarkably well in the positions, Albert Cree playing the majority of the games at forward. He also worked some at guard. Albert Gwynne also performed admirably at forward. Paul Longanecker played the majority of the games at guard, and Ralph Ross worked few times in different positions. Other members of the squad were: Billy Hesse, Clarence Sharpnack, Robert Donley, Morris Baily, Vincent Pevic and Paul Hart.

We will lose, by graduation, player and manager Chads Chalfant; players Captain Richard Hathaway, Paul Longanecker, Albert Cree, Ben Donley, Albert Gwynne, Ralph Ross and Robert Donley.

The '27-'28 season was a successful one. Our boys won 17 out of 23 games played and went to the semi-finals in the Waynesburg College Tournament, this making the third consecutive year for the C. H. S. team to be eliminated in the semi-finals. Our boys played hard, and if they had not had to play an extra game, their opponents might not have pulled away from a deadlock and defeated them in the fourth quarter.

Harleigh Flenniken was picked all-tournament forward in class B. He also received a medal for sportsmanship.

The defenders of the purple and gold played their best game against Massanutten Military Academy. It was anybody's old ball game up to the last whistle. The purple and gold lads repeatedly broke through the Massanutten defense and scored field goals at short range. They were leading by six points at one time in the third quarter but the doughboys, forced to shoot long shots on account of our tight defense, had their shooting eye in shape and frequently dropped one in from back court. This proved disasterous to C. H. S. when, in the last two minutes, with the score very close, Massanutten dropped in three in rapid succession to defeat us five points.

BOYS' BASKETBALL SQUAD.

Much of the success of the Purple and Gold team is due to the efforts of Coach Darwin P. Venen who worked long and hard to mold a green team into playing shape. Who except him could have taken three old players and a squad of inexperienced boys and, at the start of the playing season, have a competent team on the floor and on the bench, several reliable reserve men, who could take their team mate's position at a moment's notice? Who except him could have come to the players in the zero hour, the intermission between the halves of the last game that our team played in the tournament, and said those few quiet words to the exhausted boys, worn down by three and a half games and two extra periods, that made them come back in the second half and give their last full measure of energy in a burst of basketball speed that enabled them to overcome a seemingly insurmountable lead and dead-lock their opponents to the last quarter? Who except him would have come to the players after the game was lost and say that he would have been little more pleased if they had won, and that he was satisfied because they had shown that rare spirit in putting forth that last effort, and gone down fighting in the face of overwhelming odds? If there is anyone else who could and would, "now let him speak, 'tis charity to show."

The team, that gave so little promise at first, but flourished later under his careful attention, and the record they made, stand as a monument to his ability.

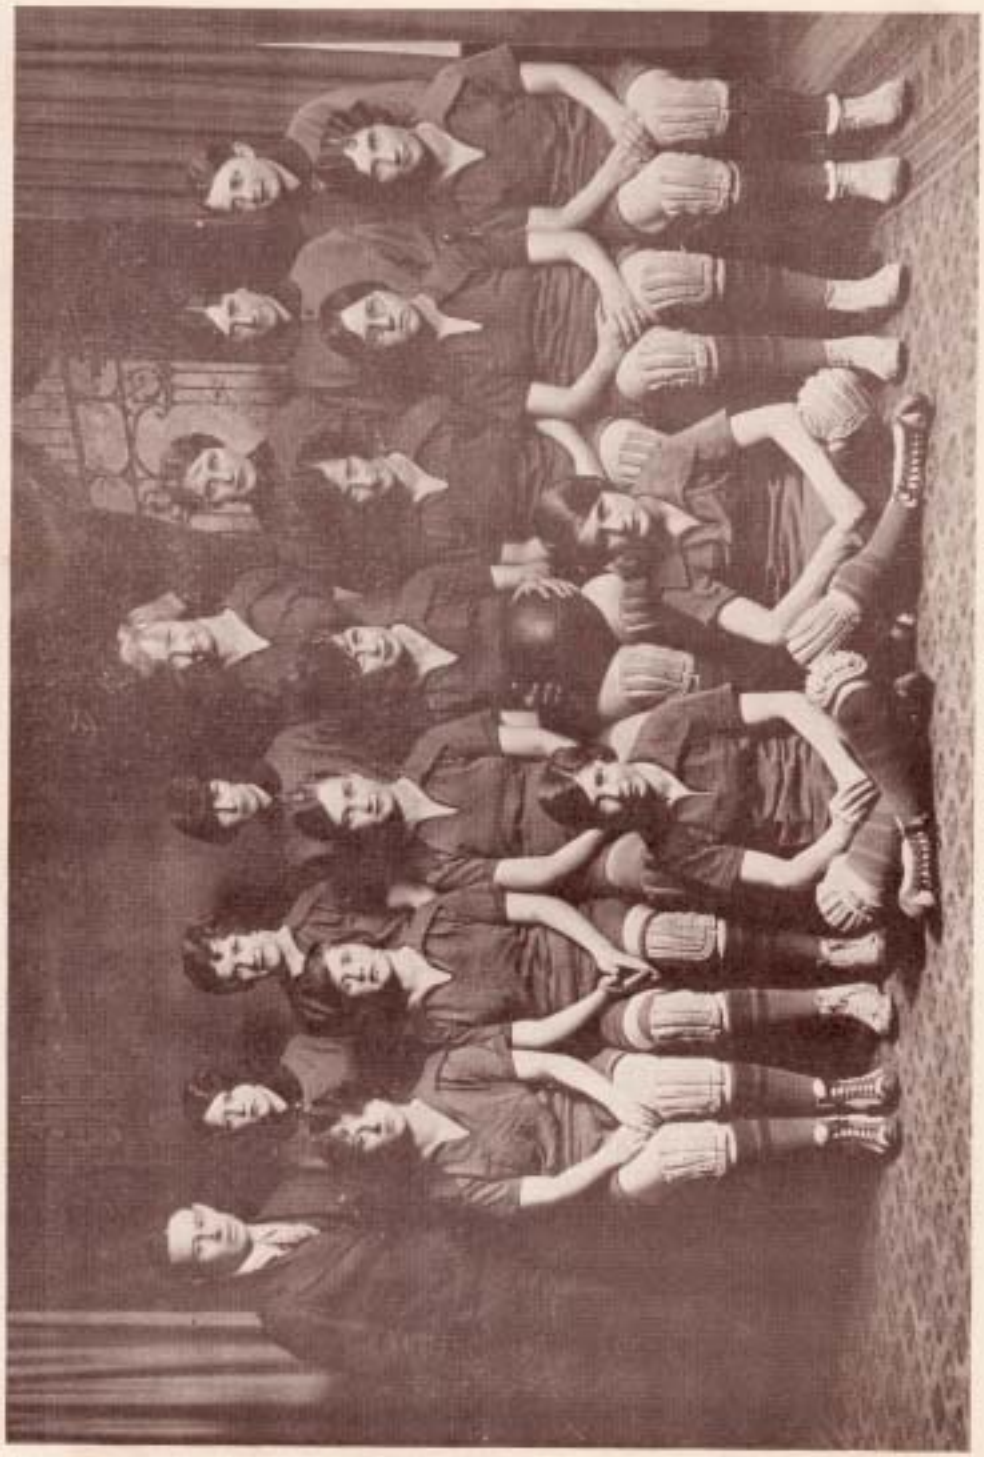
Baseball and Track

The members of the track team are working hard almost every evening (if it isn't snowing) to get into the proverbial pink of condition, that is so necessary to winning track teams.

The squad is not as large as we would like it to be, although several under-classmen are coming out regularly and will probably be good material in the future, even if they don't get far in actual competition this season.

We hope to win the meet this year, although it sometimes looks doubtful. We will continue to wait hopefully until we see what May 12 holds for us.

The call for baseball candidates has not yet been issued on account of other activities. We will be listening for it after the Junior play, which will go on soon. There are several veterans, as well as numerous Freshmen of unknown caliber, waiting the call.



GIRLS' BASKETBALL SQUAD.

Girls' Basketball

The girls' basketball season opened with a splendid turnout from all classes, especially the Freshmen. Some very fine material was discovered which will no doubt prove valuable in the future.

Although the team was not as successful as was expected, good sportsmanship and team spirit was maintained throughout the season.

Coach Venen gave a great part of his time in trying to make the team a success. We are sorry that he will not be with the girls next year.

Besides losing their coach the girls will lose two players, Viola Steele and Florence Condit.

The team consisted of the following:

Viola Steele	Forward, Captain
Violet Steele	Forward
Florence Condit	Forward
Anna Belle Crago	Center
Frances Fuller	Side Center
Lottie McMinn	Guard
Lucile Barclay	Guard
Evelyn Barclay	Guard
Carolyn Hesse	Forward
Lora Guesman	Forward
Virginia Barnhart	Guard
Nancy Forsythe	Guard
Gladys Chalfant	Side Center
Helen Douds	Guard
Ruth Fordyce	Center
Betty Barclay	Forward
Hester Hickman	Center
Doris Murphy	Side Center
Violet Dayton	Guard
Helen McMinn	Guard

1927 Track and Field Meet

Cumberland Township entered a rather well balanced team that averaged better than any other team in the meet. The only boy to lose out in the elimination was nosed out of the shot put by a half inch. In the finals, Cumberland Township took at least one place in every boys' event and two places in girls' events.

Of eight new marks set, Cumberland Township took three; Anna Belle Crago, Blair Baily and Ben Donley setting these marks in the fifty yard dash, pole vault and shot put, respectively. Cumberland Township also had the distinction of having the individual high scorer, Ben Donley bringing home that small but choice bacon.

Records of those who placed:

Anna Belle Crago	Fifty yard dash, First (new mark) Standing broad jump, Third
Blair Baily	Pole Vault, First (new mark)
Leslie Forsythe	High Jump, Third
Charles Beam	Half Mile, Third
Ben Donley	Shot Put, First (new mark) Broad Jump, Second 220 Yard Dash, Second 100 Yard Dash, Third
Paul Longanecker	Half Mile, Second
Arvel Headley	220 Yard Dash, Third
Melvin Forsythe	Pole Vault, Third
Albert Cree	Relay, Second

In spite of this hopeful looking outlay, Cumberland Township had to be content with second place. Of course there are plenty of worse places than second, but since we were out for first place, second was rather a disappointment. However, if the future track teams of Cumberland Township High School always keep as close to first place as the '27 team did, the school and township will have just cause to be proud of them.

THE real mission of the Class Book is to provide for each graduate a permanent record of all that was good in the "happiest days of life"——

It is a completed album of those friends of memory who will never, never grow old—and therefore the pathway back to youth.

Custom has now firmly established the publication, yearly, of a Class Book in nearly every school and college in the land. As the worth of the earlier Class Books becomes more and more evident to their owners, the urge to make bigger, finer and more complete books becomes stronger in the younger college folk.

Thus, today, we find among the biggest and best executed examples of the Designers', Engravers' and Printers' arts, the Class Books of America's great educational institutions.

The Collegiate Section of our organization has helped to build some of the very finest of these books. Complete sympathy with the real purposes of the Class Book and genuine appreciation of college sentiments and traditions form the groundwork upon which we have built this section of our business.
